

EVOLUTION TRAINING SOLUTIONS, LLC

High Risk Warrant Service

This course of training prepares Law Enforcement Officers to plan and execute warrant service, fugitive apprehension, and similar high risk operations in ways that reduce the risk to officers and the community. Through demonstration and practical application, students will practice entry, search, and extraction techniques throughout the course while executing high risk warrants during live force on force scenarios. Vehicle takedowns of felony suspects will also be covered.

TOPICS:

- Warrant Service Planning
- Intelligence Gathering
- Contingency Planning
- Knock and Talk Techniques
- Structure Approaches
- Equipment Suggestions
- Consensual Searches
- Roles and Responsibilities of Entry and Perimeter Security Teams
- Deliberate Limited Penetration Structure Clearing Techniques
- Vehicle Takedowns and Extractions
